

## **Warwick Taylor**

*(apologies - not Wilson)*

You have possibly heard the very sad news already from other ploholders. We have lost one of our most active and generous people. Warwick was known to many people both at Inverleith and across the city. He was always approachable and gave good advice to anyone that asked for help.

Warwick helped with many projects that improved the site for us all. He built raised beds and emptied communal compost bins, He helped create our own show now in it's fifteenth year, he helped convert the old container into a useful space and even became our 'Toilet Czar' for years trying to keep the old composting loo operational.

We will all miss his good humour, cheerful smile but above all his devotion to Inverleith Allotments and its thriving community.

If you wish to pay your respects; his funeral will be held on the **19th August at 10.30am at Warriston Crematorium in the Cloisters Chapel.**

---

## Event Dates for 2019

**Annual Show** - Sunday 1st September - our ever-larger annual flower and vegetable show. Details have been distributed to your shed.

**Apple Pressing** - Sunday 13th October - bring apples and containers to either simply make juice - or possibly something stronger. More details to follow.

---

Best wishes from Stuart McKenzie and the Inverleith Committee
